

The image is a hand-drawn sketch of a mobile application interface, enclosed in a rounded rectangle representing a phone screen. At the top, there is a status bar with a signal strength indicator, two circular icons, and a camera icon. The main content area is titled "Search options" and contains several interactive elements:

- A section with two radio buttons: "For sale" (selected) and "For rent".
- A section with a checkmark icon and the text "Location".
- A "Price range" section featuring a horizontal slider with two vertical markers. The left marker is labeled "min value" and the right marker is labeled "max value".
- A "Rooms" section with four rows, each consisting of a circular icon with a diagonal line and a text label: "Rooms", "Suites", "Parking slots", and "Bathroom".
- A "Size" section featuring a horizontal slider with two vertical markers. The left marker is labeled "min size" and the right marker is labeled "max size".

At the bottom of the screen, there is a home indicator bar.
